## *Providing first-class nursing care in a 5-star environment*

At Chalgrove we pride ourselves on our attention to detail, be it the nursing care administered, the delicious and varied meals served or the fixtures and furnishings of our rooms.

Having undertaken a major refurbishment programme, we are still continuously upgrading and improving our facilities to reflect our patients' preferences.

Chalgrove has several seating and dining areas throughout the home as well as a large, sunny conservatory overlooking the garden.

We are here to make your stay as comfortable as possible. We never forget that you are a paying Client and,

as such, your wishes and satisfaction are paramount.

Our full-time qualified chef offers a varied menu, with a choice of meals daily and clients are welcome to invite guests to join them for lunch/dinner at any time.
