www.agincare-homes.com

Fulford Care & Nursing Home is conveniently situated 3 miles from the South Downs National Park in the beautiful harbour town of Littlehampton and offers both nursing and residential care. The home has a great deal of character; the dining room is a 200 year old listed barn which has been carefully restored to make a spectacular setting for dining. We pride ourselves in providing the best possible care in a friendly and homely atmosphere.

Our aim is to offer first class nursing and residential care in a 5 star, comfortable, relaxed and traditional environment. We know what we're doing, we've been doing it for over 30 years and, as we're part of a large private group benefiting from economies of scale, we are the natural choice for those seeking respite, long-term care or palliative care at fees representing excellent value for money.

“She enjoyed the meals, company and entertainment. Since she has left, she speaks very well of the home and would like to return!”
Daughter of Resident

Treating people as individuals and delivering truly person-centred care is central to everything we do.

This beautifully furnished care and nursing home has 69 individual rooms to choose from, most of which have en-suite facilities and there are multiple assisted bathrooms, wet rooms and WC facilities throughout. Fulford offers high quality accommodation in a warm and friendly atmosphere with the opportunity to enjoy all the home comforts and security of a first class care home.

Years of local care provision and staffing knowledge, combined with experience from services across the country, ensures long term, quality services for the local community.

The home has been carefully equipped throughout to meet the needs of all residents and to provide a safe and comfortable environment. Our home has a

relaxed, friendly atmosphere with family visits welcomed at any time. Refreshments are available for visitors and arrangements can be made for residents to eat their meals with their guests in private or in the main dining room.

Our bedrooms are mainly for single occupancy; however, we do have a small selection of double bedrooms depending on the availability. Each room is decorated and furnished to a high standard. We encourage residents to bring their own possessions to personalise their rooms and make them feel even more at home.

We can cater for both long and short-term stays and respite care can be arranged dependent on availability.
