A village location close to the amenities of Swindon

Lansdowne Hill is supported well by the local community with local amenities such as doctors, dentist, various shops, a library, public houses and hotels all on the door step. There are also excellent transport links into Swindon town centre and surrounding areas. Junction 15 of the M4 is just two miles away from the home.

Lansdowne Hill is a two storey building with single occupancy rooms and lift access to the 1st floor. The home has recently been refurbished to a high standard, creating a relaxed and homely environment for all our residents.

There are several spacious lounges which offer comfort and tranquillity, all overlooking beautiful, well maintained gardens, and a secluded court yard area. The new well-appointed dining room allows our residents to dine in style. The menu offers a superb variety of traditional home cooked meals, all

prepared in house by our experienced catering staff.

We aim to respond sensitively to the evolving needs of our residents and are proud to provide a varied programme of activities and outings - anything from local events to pub lunches. We also liaise with local schools and entertainers to arrange regular visits to the home.

Lansdowne Hill Care Home is committed to providing high quality person-centred care to the people who use our service. We strive to ensure our services reflect best practice and this includes our specialist dementia care unit.

We are aware that the staff play a vital role in the residents' wellbeing and they receive on-going training and support tailored to their roles and responsibilities within the home.
