Maumbury Care Home is a fully re-developed home close to the amenities of Dorchester and is managed by local Weymouth based care provider Agincare Homes Holdings.

Maumbury Care Home underwent a £½ million investment programme and is now completely refurbished offering residential and dementia care.

We offer first class residential care in a 5 star, comfortable, relaxed and traditional environment. We know what we're doing, we've been doing it for over 30 years and, as we're managed by a large private group benefiting from economies of scale, we are the natural choice for those seeking respite, long-term care or dementia care at fees representing excellent value for money.

Treating people as individuals and delivering truly person-centred care is central to everything we do.

Maumbury Care Home has 37 individual rooms to choose from, many of which have en-suite facilities and there are assisted bathrooms, wet rooms and WC facilities on each floor. The home offers high quality accommodation in a warm and homely atmosphere with the opportunity to enjoy all the home comforts and security of a first class care home, whilst still being in the heart of Dorchester.

Years of local care provision and staffing knowledge, combined with experience from services across the country, ensures long term, quality services for the local community.

Our highly experienced and trained staff group offer home-

cooked food, a varied daily activities programme, regular outings and landscaped gardens and terraces for residents' use. Through training and experience our staff know how to respond and can help each and every one of our residents to feel comfortable, whilst gently stimulating their daily living skills with age-related activities.

In every one of Agincare's 16 care homes we strive to provide a warm and friendly environment for all residents with truly person-centred care delivery.

Maumbury Care Home is close to the amenities of Dorchester and Brewery Square with a bus stop directly outside and the train station a short stroll away.
